TEXTURED CERAMIC VINYL STYLES

Black

Solid 100% vinyl from top to bottom without being layered, with textured ceramic finish with 3 colors to choose from - White, Black & Slate Grey.

Easy to clean, install and maintain.

Resistant to everyday, harsh chemicals/cleaners. So no matter the mess, the clean-up is easy and won't harm the finish.

Because it is a semi-matte surface, it is perfect for anti-glare situations, such as photography or filming.

Slate Grey

The long-lasting vinyl offers superior protection against the impact of common debris, harsh liquids and heavy traffic.
