

CARPET PADS

Carpet padding is an effective way to cushion your exhibit floor for added comfort and greatly extend the life of your trade show & event carpet. We offer a 1/2" pad and our 1" Master Pad.

One very important component of our event and trade show carpet is the one no one will ever see - the padding. Good carpet padding does more than just provide comfort. It also conveys an element of quality that people will sense as soon as they set foot on your carpet.

Our 1/2" - 6lb. pad is a great choice for our trade show carpet. We always provide extra padding at no charge so you don't have to use

1" Master Pad
