ROLLABLE BAMBOO

We're excited to offer this innovative and affordable bamboo floor to the trade show industry!

This Eco-Friendly floor is lightweight, easy to install and provides a high end look that will really stand out on the show floor!

Each roll size is 5' wide x 10' long with the wooden slats running the 5' width. Each section is shipped in a 5'-6" long cardboard tube with end caps.

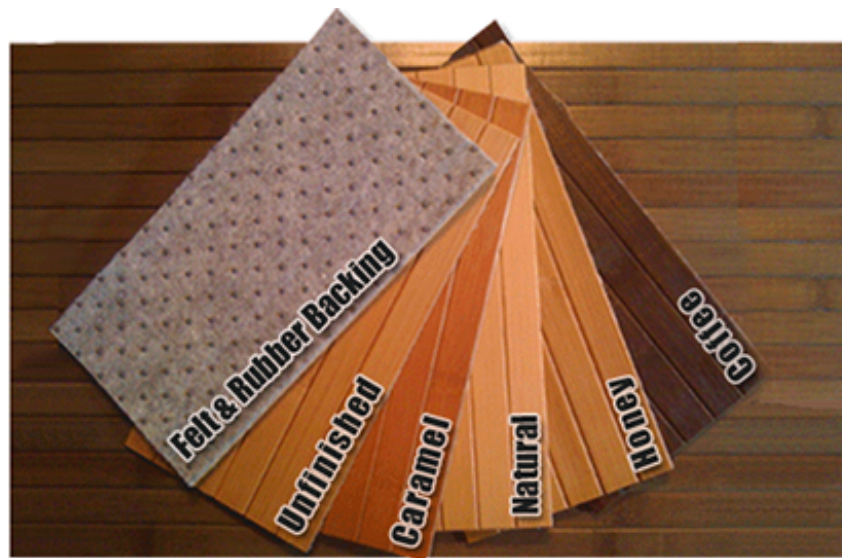

There are two Bamboo strip widths:

A 5/8" wide x 1/8" thick available in the 4 colors listed above as well as an un-stained option for custom colors. A 10' x 10' section weighs 35lbs and a shipping tube is included with each roll.

Our 2" wide Bamboo strip version is 1/4" thick and available in a Natural and honey. A 10' x 10' Section weighs 50 lbs and a shipping tube is included with each roll.

The backing on both products is a felt with rubber dots to hold the floor in place- the entire floor is made from recycled/renewable products and can be shipped via UPS or FedEx.
